
Title: Vesper

Author:

Vesper is located on the eastern coast of Britannia, the northernmost city on said coast. Its positioning almost makes it more a part of the culture of the Feudal Lords or Magincia, as it serves as a major trade port for the north part of the sea. Vesper is a city of shallow waterways and canals. These canals are largely man-made, but are rough-hewn and seem quasi-natural. Although the climate in this region ranges from the temperate to the cold, Vesper is a city of strong stonework and wide open spaces that serve as breezeways. The stonework is all done by local artists and artisans and has earned Vesper a reputation as a beautiful city. The building of bridges has become an art form in Vesper. Stonework is most common, with granite slabs used everywhere. Carvings and statues appear atop columns and at cornices.

Vesper has the latest of everything, thanks to its
